

What could I do with ...

Creative and Media

Creative and Media includes Design, Media and Performing Arts. This area of study will develop your knowledge, talents, practical and creative abilities and skills. It will also improve your:

- Ability to work independently
- Communication skills
- Enterprise skills
- Industry awareness
- IT skills
- Organising skills
- Research skills
- Teamwork

These skills are important for Creative and Media jobs and lots of other careers too

Talent, creative ability and experience are extremely important for getting into Creative and Media careers
